

Chester Diocesan Guild of Church Bell Ringers

South Cheshire Branch

Date: 20 September 2008

Time: 10:00am until 2:00pm

DEWBYS MINIRING

Volunteer helpers wanted to man both the mini-ring and Christ Church. Mainly to give demonstrations and to answer questions from the public. We will need at least eight ringers for the mini ring in the Town Square and a minimum of six for Christ Church. It is hoped that anyone interested in learning to ring will be directed to Christ Church to see "real" bells being rung and informed when and where they can learn to ring.

As there are at least two local towers with weddings to ring for and a South Branch meeting if anyone can spare just one hour or more to help make this venture successful it would be a credit the South Branch.

Demonstrations of Bell Ringing

Members of the public can have a try

(This has been quite successful with the Lichfield Mobile Belfry at the Cheshire Show)

Christ Church Tower also open

To raise awareness of Christ Church Bell restoration project and to promote Bell Ringing

On display at Crewe Town Square
